LOY KRATHONG

On November 22nd 2018, AIMS celebrated the Loy Krathong festival which took place at the basketball court. Loy Krathong is a festival that is created to honor the water goddess in Thailand. A group of students and teachers demonstrated how to play and dance during this festival practiced in Thailand. It was a great day of fun.

From the Administrator's Desk

Dear Parents:

The first semester for the school year 2018-19 has ended. It has been busy and productive. We ended the school year 2017-18 with a student enrollment of 440 students. We opened school with an enrollment of 457. We are closing the year 2018 with 464 students.

This semester, thanks to our school nurse, Khun Kritsadaporn Lekasuwan (K. Maeow), Bangkok Hospital gave influenza shots to approximately 70 students. The shots will be offered again in May, 2019. This is a proactive measure being taken to prevent influenza among our students for the school year 2019-20.

Our first quarter Parent/Teacher Conference was well attended. The teachers and students from preschool to grade 6 demonstrated what and how they learned in their classrooms. Students showed their excitement with learning while teachers demonstrated their latest acquired teaching strategies.

Kudos to our AIMS Student Council. They have been active in helping out in our national programs, such as mother and father's days and Loy Kratong. They also organized a blood drive where 107 people donated blood.

The After-school Study Hall is now in progress. This program is to specifically help struggling students with assignments, homework, time-management and study skills. Students are tutored in math, reading and English. This is a school service, three days a week for one hour after school.

We have not yet found a science teacher to replace Mr. Kwangga Sinjela. Our General physics, is being taught by Mr. Alwyn Chako, AIU science and math teacher. Advanced science classes are being taught by our science teachers. Advance Physics, as mentioned, is a university course being taught by Mr. Chako.

AIMS is the laboratory school for AIU. Each year we have AIU student interns. The following is a list of AIU students and the homeroom teachers they will intern with:

	Grade	Interns	Homeroom Teacher
1	Kindergarten 2	Ms. Min Thae Thu San	T. Mirma
2	Kindergarten 3A	Mr. Eh Doh Doh	T. Linda
3	Kindergarten 3B	Ms. Yadanar Thant Zin	T. Marizel
4	Grade 1	Ms. Wandee Kriangkailap	T. Marian
5	Grade 2	Mr. Zwe Ye Yint	T. Marlene P
6	Grade 4	Ms. Nan Ray Shi	T. Deepa
7	Grade 5	Mr. James Morris	T. Nerliza
8	Multigrade K1-2	Ms. Naw Zin Mar Hnin	T. Royce
9	Multigrade Gr1-2	Ms. Kyawt Kyng Kyng	T. Rosemary
10	Multigrade Gr3-4	Ms. Channipha Sakhonsisopha	T. Marilyn
11	Multigrade Gr5-6	Ms. Nan Vera Shew	T. Gauri

I must end on a sad note: Teacher Sakuna, who has taught Thai at AIMS for 16 years has accepted a job with AIU. She officially leaves in January; however, the University will still allow her to assist us at AIMS until we can find another teacher. I would like to wish all of our parents and supporters a blessed and happy new year. May God bless you and keep you and give you peace during the new year 2019.

Christmas Program

AIMS celebrated the Christmas program on November 29, 2018. The theme was “Love”! The love of Jesus was portrayed by every class through dance and music. Thank God for this blessed Christmas Program. God bless us all.

Grade 11

Father's Day

December 4, was Father's day. We proudly showed our respect for our fathers and the King, Rama 9. The students and teachers were dressed in yellow to honor King Rama 9. Some students wrote and read poems about their father. After the program the students and their teachers cleaned the Aims Campus by picking trash.

SPORTS HEAT

AIMS SPORTS HEAT was scheduled from October 9, 2018 until October 31, 2018. It was hosted by the student council. The purpose of hosting this special event was to raise funds and to encourage the students to be ready for the upcoming sports. Many teams have competed against each other. The students had great fun.

King Rama 9's Memorial Day

The Memorial Day for our precious King Rama 9, was hosted on October 16, 2018 by the AIMS Thai Department. We sang the King's anthem and the teachers were dressed in black to respect the King. Students wrote and read poems about the king. King Rama 9 will always be our beloved king.

MUSE CLUB

On November 18, 2018, Muse club went to the mall Korat for their fundraising charity mini concert. Most of the funds will be donated to the orphanage and the rest remaining will be for supporting the next upcoming project of the Muse Club.

“We would like to thank everyone for being with us and supporting us. Let’s work together always to help others in need.”

“Chanikan Buranasaksri”
President of Muse Club
